**Ahora lee el siguiente diálogo entre nuestra protagonista Olga y Mary:**

**Mary:** Did you take a decision about your trip?

**Olga:** As I told you, I'm going to go to Northern Ireland. I have found a cheap trip to Londonderry.

**Mary:** Wow! There, they celebrate St. Patrick's with an amazing parade!

**Olga:** Yes, I love parades!

**Mary:** Are you going to spend all your free days there?

**Olga:** Oh no, I have to fly from London, so I will spend a couple of days there. I like being there very much!

**Mary:** What are you going to do there?

**Olga:** Well, I like visiting museums and monuments. However, I don't have much time to go to the British Museum, so I will walk by the river to see the Tower Bridge in the morning, I enjoy walking. After lunch, I will go to see The House of Parliament and the Big Ben. Also, I could visit Westminster Abbey.

**Mary:** Will you enter those monuments?

**Olga:** I don't know, because I hate crowded places and I know there will be a lot of people there those days. I don't like waiting to get into places either.

**Mary:** Anywhere else?

**Olga:** Yes. If I have time, I will walk up to St. Paul's Cathedral...

**Mary:** Olga, you are going to walk a lot! I dislike walking. You'll be tired for your trip!

**Olga:** Ha, ha, ha. It's true, but I don't mind.

**Contesta a estas preguntas en tu cuaderno:**

1. Where is Olga going to go for her trip?
2. What is celebrated during her trip?

La conversación entre Olga y Mary va a continuar. Ahora Mary está interesada en algo más que el simple turismo por Londres:

**Mary:** Olga, I know you love shopping. Are you going shopping during those days in London?

**Olga:** I would like to go, but I will only spend two days there. Maybe, if I have enough time, I would love to buy some new clothes or some souvenirs for my family.

**Mary:** Will you go to Harrods?

**Olga:** Oh no! I like the building, but I dislike what they sell.

**Mary:** Yes, it's quite classical. What is your favourite place for shopping then?

**Olga:** In London? Many places are OK, but I think that Candelaria is the best. You can find really strange things there, but also cool things. Besides, you can eat a lot of different and international food too.

**Mary:** I agree. The people and the colourful houses are really different! And, what about Covent Garden? It is also a wonderful place!

**Olga:** Wait! It will be Saturday, so I'd rather go to Notting Hill and visit Portobello Market.

**Mary:** Portobello? On Saturday? Olga, that is mainly an antique market. Are you serious?

**Olga:** Honestly, I enjoy the place very much, but I never buy anything there! I just enjoy watching the antique stalls.

**Mary:** Oh!
