PROYECTO: MAKING A MUSEUM.

MATERIALS:

- One or more old objects per student.
- History museum flyer.
- Small pieces of card.

1) Bring one or more old objects from your home or from your grandparents' home. Don't forget to ask permission!

2) For each object, write a short description and date on card.

Black rotary dial phone.
Made in England, 1950.

3) Make a display of all the objects in your classroom. Organise the objects by type. For example: vintage tin toys.

4) Make signs for your class museum so the visitors know the rules.

5) Create a flyer to advertise the museum. Use photos or draw pictures.
