

ANIMAL Characteristics

Cut & Paste Pages

These free cut & paste animal pages are part of my Animal Unit Study Pack for K-2 learners.

These are simple and no prep pages that will help kids learn or review the animal characteristics of the five groups of Vertebrates: Mammals, Reptiles, Birds, Fish, and Amphibians.

You can read more about how we used them or an extension idea in my post at [THIS READING MAMA](#)

Terms of Use: This free printable pack was created for you to use at home with your child/students or with multiple children in your classroom/tutoring setting. Please do not sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, etc.). Thank you!

If you're looking for more animal activities, you'll LOVE my 100+ page Animals K-2 Unit Study!

It's packed with learning objectives and activities for all kinds of animals!
