Listen to the song and fill in the gaps with the correct option

Welcome to your life
There's no turning back
 we sleep
We will find you
Acting on your behaviour
 your back on mother nature
Everybody to rule the world

It's my own design
It's my own remorse
 me to decide
Help me make the most of freedom
And of pleasure
Nothing ever lasts forever
 wants to rule the world

There's a room
 the light won't you
 the walls

Come tumbling down
When they do I'll be right behind you
So glad we've almost made it
So sad had to fade it
Everybody to rule the world

I can't stand this indecision
 with a lack of vision
Everybody wants to rule the world
Say that you'll
Never, never, never, need it
One headline why believe it
Everybody wants to rule the world

All for freedom and for pleasure
Nothing ever lasts forever
Everybody to rule the world

LYRICS

Welcome to your life
There's no turning back
Even while we sleep
We will find you

Acting on your best behaviour
Turn your back on mother nature
Everybody wants to rule the world

It's my own design
It's my own remorse
Help me to decide
Help me make the most

Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world

There's a room where the light
won't find you
Holding hands while the walls
come tumbling down
When they do I'll be right behind
you

So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the world

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the world
Say that you'll never never never
never need it

One headline why believe it ?
Everybody wants to rule the world

All for freedom and for pleasure
Nothing ever lasts forever
Everybody wants to rule the world
