Manic Street Preachers

The future teaches you to be alone
The present to be afraid and cold
"So if I can shoot rabbits then I can shoot fascists"

Bullets for your brain today
But we'll forget it all again
Monuments put from pen to paper
Turns me into a gutless wonder

And if you _____ (tolerate) this

then your children _____ (be) next

Gravity keeps my head down
Or is it maybe shame
At being so young and being so vain

Holes in your head today
But I'm a pacifist
I've walked La Ramblas but not with real intent

CHORUS

And on the street tonight
An old man plays with newspaper cuttings of his glory days

CHORUS

Beyonce Knowles

If I _____ (be) a boy even just for a day
I _____ (roll) out of bed in the morning
And throw on what I wanted and go
Drink beer with the guys
And chase after girls
I'd kick it with who I wanted
And I'd never get confronted for it
'Cause they stick up for me

If I were a boy
I think I could understand
How it feels to love a girl
I swear I'd be a better man
I'd listen to her
'Cause I know how it hurts
When you lose the one you wanted
'Cause he's taking you for granted
And everything you had got destroyed

If I were a boy, I would turn off my phone
Tell everyone it's broken so they think that I was sleeping alone
I'd put myself first and make the rules as I go
Cause I know that she'd be faithful, waiting for me to come home,
To come home

Chorus

It's a little too late for you to come back
Say it's just a mistake, think

I _____ (forgive) you like that
If you _____ (think) I would wait for you
You got it wrong

But you're just a boy
And you don't understand (yea, you don't understand, oh!)
How it feels to love a girl someday
You wish you were a better man
You don't listen to her
You don't care how it hurts
Until you lose the one you wanted
Because you've taken her for granted
And everything you had got destroyed

But you're just a boy
