

aulapt.org

A vertical domino with a horizontal line across the middle. The left side has one black dot at the bottom. The right side has two black dots, one at the top and one at the bottom. Below the domino is a dotted green circle for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. Both the left and right sides have four black dots arranged in a 2x2 grid. Below the domino is a dotted green circle for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The left side has one black dot at the top. The right side has six black dots arranged in two vertical columns of three. Below the domino is a dotted green circle for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The left side has one black dot at the top. The right side has six black dots arranged in two vertical columns of three. Below the domino is a dotted green circle for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The left side has one black dot at the top. The right side has five black dots: one at the top, one in the middle, and two at the bottom. Below the domino is a dotted green circle for tracing.

aulapt.org

A horizontal domino with a vertical line down the middle. Both the left and right sides have six black dots arranged in two vertical columns of three. To the right of the domino is a dotted green circle for tracing.

aulapt.org

A horizontal domino with a vertical line down the middle. The left side has six black dots arranged in two vertical columns of three. The right side has five black dots: one at the top, one in the middle, and two at the bottom. To the right of the domino is a dotted green circle for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half contains one black dot in the center. The bottom half contains three black dots: one on the left, one in the center, and one on the right. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half contains five black dots: two in the top corners, one in the center, and two in the bottom corners. The bottom half contains six black dots: two in the top corners and four in a vertical line down the center. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half contains six black dots: two in the top corners and four in a vertical line down the center. The bottom half contains six black dots: two in the top corners and four in a vertical line down the center. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half is empty. The bottom half contains one black dot in the center. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half contains three black dots: one on the left, one in the center, and one on the right. The bottom half contains three black dots: one on the left, one in the center, and one on the right. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A horizontal domino with a vertical line down the middle. The left half contains four black dots: two in the top row and two in the bottom row. The right half contains four black dots: two in the top row and two in the bottom row. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A horizontal domino with a vertical line down the middle. The left half contains two black dots: one in the top row and one in the bottom row. The right half contains two black dots: one in the top row and one in the bottom row. Below the domino is a large circle composed of small green dots for tracing.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half contains three black dots: one on the left, one in the center, and one on the right. The bottom half contains six black dots: two on the left, one in the center, and two on the right. Below the domino is a large circle formed by small green dots, intended for tracing practice.

aulapt.org

A vertical domino with a horizontal line across the middle. The top half contains two black dots: one on the left and one on the right. The bottom half contains five black dots: two on the left, one in the center, and two on the right. Below the domino is a large circle formed by small green dots, intended for tracing practice.
