

Hocus Pocus scene

Winnie the witch: Let's brew another batch!

Boy: You hag! There are not enough children in the world to make thee young and beautiful!

Winnie: Hag. Sisters, did you hear what he called you? Whatever shall we do with him?

Sisters: Let's barbecue and fillet him.

Sisters: Hang him on a hook and let me play with him?

Winnie: No! Book, darling, come to Mommy. Yes...his punishment must be more fulsome, more lingering.

Dazzle me, my darling.

Let's see... amnesia, bunions, chilblains, cholera. We can do better than that, I think!

Let's see what we have. Ahh... Perfect... As usual. His punishment shall not be to die, but to live forever with his guilt.

Sisters: As what, Winnie, as what?
