

MY FAMILY

Hey guys! This is our family. My name is Oliver and I live with my girlfriend, Noah and our dog Buddy. We live in Sidney. I work as programmer analyst in Google. I love travelling and that's why I studied different languages when I was at the College. English is my mother tongue but I

can also speak Spanish, French and Portuguese. I'm medium height and I have got green eyes and blond hair. My partner is paediatrician and love discovering new cultures. She was volunteer in Africa and spent one year abroad. She's a confident and humble person. In this photo, she is wearing a green sweater and scarf. Every time we have free time, we usually plan our next holidays or road trips. In addition, we love visiting new bars or cafeterias with Buddy and that's why we write some posts on our blog *Pets & Coffee* to recommend interesting places to go with your pet. During the week, we watch our favourite TV series every night and at weekend, we usually eat or go out to enjoy what our city offers to us.
