

MY FAMILY

Hi there! This is my family. My name is Arno and I live with my mothers, Elna and Lisa, and with my brother Jabulani. I am the one without a T-shirt, it was so hot that day! We live in Johannesburg, South Africa. My mother Elna was born here, but my mother Lisa is from the United States. They met each other because Lisa travels a lot

because of her job, she is a diplomat. She can speak five foreign languages. Elna runs an organic farm, so you can imagine how many vegetables we eat!

While they are working, we go to school by bike. In the afternoon, we usually play basketball or play video games at home.

At weekends, we like going to the beach or ride our bikes to the nearest park.

In this photo, we are all wearing dark and comfortable clothes. We are on holidays and we are laughing because maybe my mom Elna told us a joke, she is so much fun!

We all have dark skin, hair and eyes. Elna is taller than Lisa, and I am taller than my brother, too. I love spending time with the three of them.
