

MY FAMILY

Hi! This is my family. My name is Aisha and I live with my father, Hamid. We've got these unusual names because my father's family is from Pakistan. We live in London. We also have a dog, whose name is Robbie. My father works as a nurse in the Royal London Hospital. He is very intelligent and he can speak English and Urdu. He is teaching me some Urdu too. He is tall and he has got brown eyes and hair. He has got dark skin too. We spend lots of time together because we have fun with each other. In this photo, I am wearing a purple T-shirt and he is wearing a blue shirt. We are having fun at the park and walking Robbie. My father and I are both smiling, he is so funny! During weekdays, we also go to the park to practice some sports such as rollerblading or running. At weekends, we usually go to the cinema and have an ice cream afterwards.
