

WHERE ARE YOU FROM?

America, Canada, Korea, Japan , Germany, France, India, Thailand
Australia, Mexico, Brazil, Ecuador ,China, England, Spain, El Salvador.

These are places we can go,
but there's one thing I'd like to know.

Oh! Where are you from?

Does it rain or have lots sun?

Do the mountains seem to touch the sky?

Where're you from?

Russia, Scotlan, Denmark, Gambia, Israel, Jamaica, Iraq, Zambia,
Egypt, Haiti, Chile, Paksitan, Iceland, Ireland, Greece, Afganistan

These are places we can go,
but there's one thing I'd like to know.

Oh! Where are you from?

Does it rain or have lots sun?

Are the beaches warm and linen white?

Where're you from? Where're you from?
