TASK 2: STEREOTYPES (*Blonde girls are dumb*)

How do others perceive you?	
How do you perceive yourself?	

TASK 3 – Analyse other people's situations and stereotypes.

a) What do people think about you? (personality, likes, dislikes...).	b) Is it true or false?
Examples: People think I am not a good student because my brother is not a good student.	It's false, but sometimes is difficult for me to sit still in class.
People think I love pink because I am a girl.	It's false. I don't mind pink, but I like green.
People think I'm not a sensitive person because I'm a boy.	It's false. Boys cry too!
