

## GRAMMAR – FIRST CONDITIONAL (3º-4º ESO)

### SONG & GROUP WORK

#### STEP BY STEP!

1. Listen to the song and try to figure out the lyrics so you can identify the general topic the song is about. You don't have to take any notes. Let's talk about the topic and share opinions.
2. Listen to the song again, identify and take note of the first conditional structures you hear.
3. Time to work in groups! Each member of the group must share their notes, that is, the first conditional structures you've been able to identify. As a group, make a list with all the phrasal verbs you have.
4. Listen to the song while reading the lyrics on the new worksheet and fill in the gaps by using the list you've made (all the members of the group together).
5. Listen to the song again and check your answers. The winner is the team which gets more points!
6. Relax, listen, and feel the beat! If you wish, you can sing and dance (but remember you're not at the disco!)

## SONG: SHAPE OF YOU (BRUNO MARS)

If you ever \_\_\_\_\_ yourself stuck in the middle of the sea,

I' \_\_\_\_\_ the world to find you

If you ever \_\_\_\_\_ yourself lost in the dark and you can't see,

I' \_\_\_\_\_ the light to guide you

Find out what we're made of

When we are called to help our friends in need

You can count on me like one two three

I'll be there

And I know when I need it I can count on you like four three two

You'll be there

'Cause that's what friends are supposed to do, oh yeah

Whoa, whoa

Oh, oh

Yeah, yeah

If you \_\_\_\_\_ and \_\_\_\_\_ and you just \_\_\_\_\_

I' \_\_\_\_\_ a song

Beside you

And if you ever \_\_\_\_\_ how much you really mean to me

Everyday I \_\_\_\_\_ you

Ooh

Find out what we're made of

When we are called to help our friends in need

You can count on me like one two three

I'll be there

And I know when I need it I can count on you like four three two

You'll be there

'Cause that's what friends are supposed to do, oh yeah

Oh, oh

Yeah, yeah

You'll always have my shoulder when you cry

I'll never let go

Never say goodbye

You know you can

Count on me like one two three

I'll be there

And I know when I need it I can count on you like four three two

And you'll be there

'Cause that's what friends are supposed to do, oh yeah

Oh, oh

You can count on me 'cause I can count on you
