

Little

Red Riding

Hood

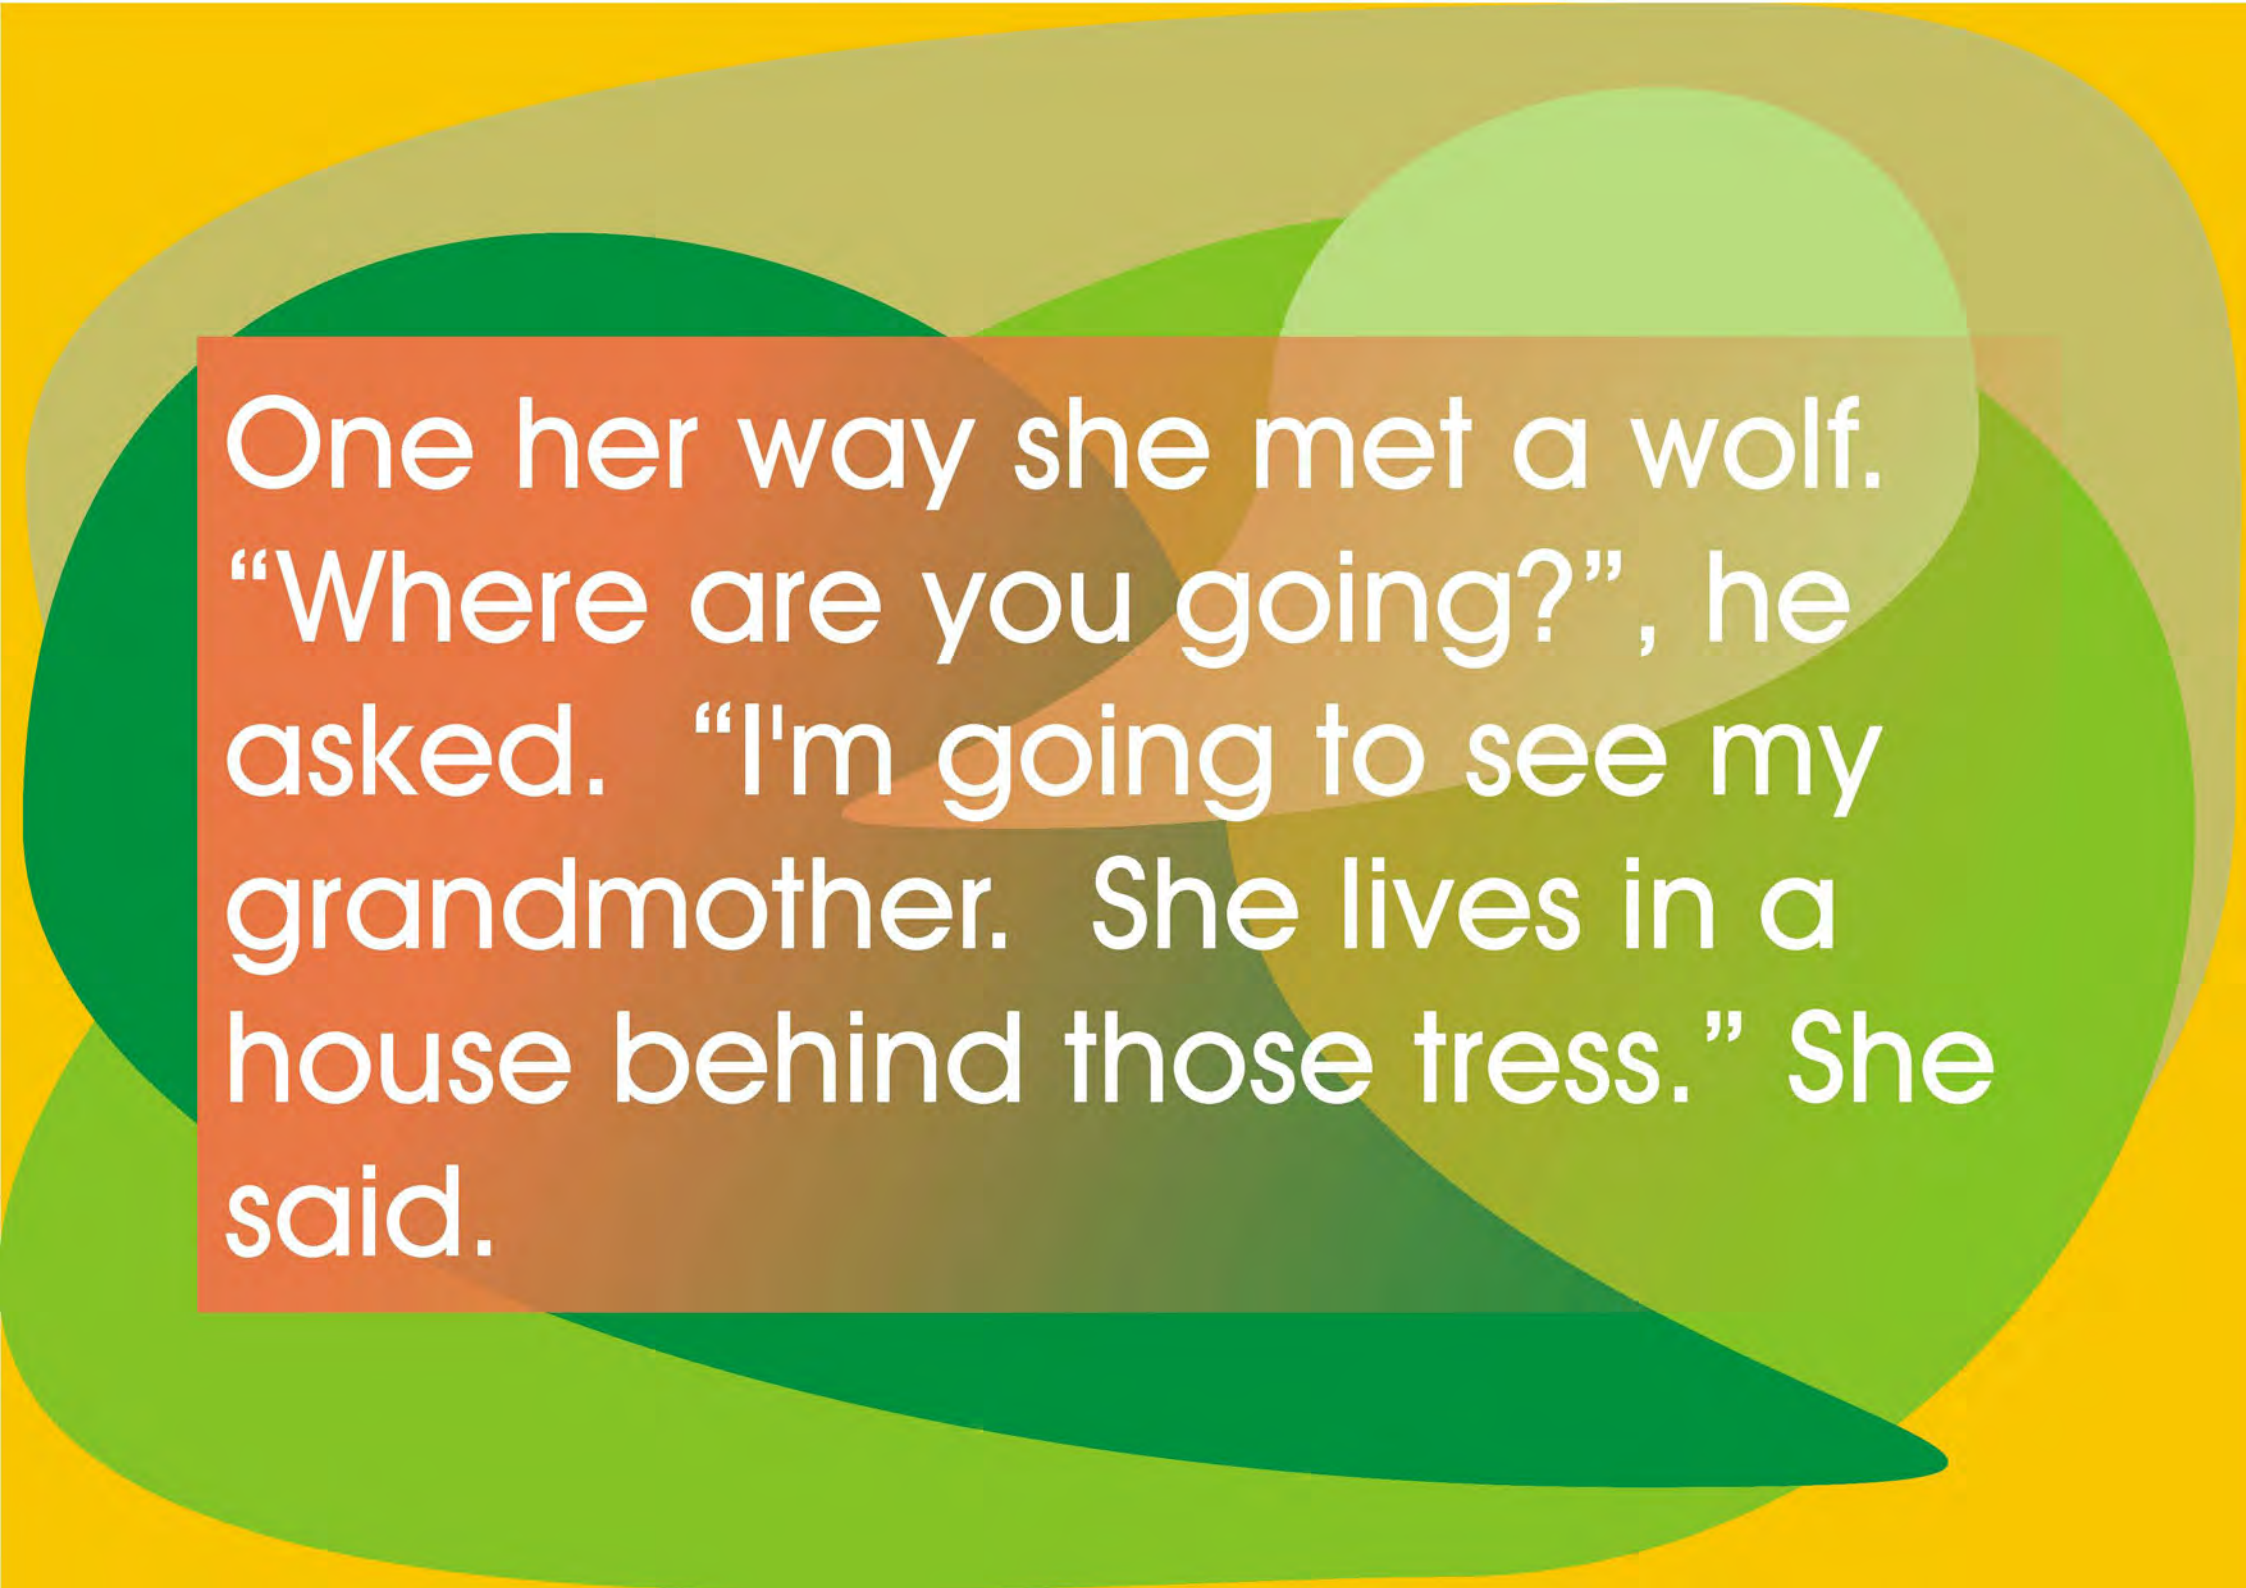

Once upon a time there lived a little girl called little red ridding hood. One day she went to visit her granny. She had a nice cake in her basket that she was going to give to her granny.

I'm going to see my grandmother. She lives in a house behind those trees.

Where are you going?

One her way she met a wolf.
“Where are you going?”, he
asked. “I'm going to see my
grandmother. She lives in a
house behind those tress.” She
said.

You can
take the path to the
right.

The wolf said to LRRH, “You can take the path to the right.” But LRRH didn't know which way was left or right. So the wolf said, “I'll show you a game that will teach you left and right.”
