

EL SIGUIENTE PASO SERÁ ARRASTRAR CADA DAY\_TEMPLATE EN UN DÍA, Y LA PLATAFORMA GENERARÁ LA PROGRAMACIÓN PARA ESE DÍA QUEDANDO DE ESTA MANERA.

**shoutcast** Audio Clocks Day Templates **Planning** My Files Security Sign out Search

**LasMarinasRdo : Planning**

Reminder : The Radio Station Producer agrees that in its programming:

- no more than 3 musical pieces from the same album may be transmitted to the same listener within a 3 hours period (and no more than 2 of those musical pieces may be transmitted consecutively within a 3 hours period)
- no more than 4 musical pieces by the same featured artist may be transmitted to the same listener within a 3 hours period (and no more than 3 of by the same featured artist may be transmitted consecutively within a 3 hours period)

Drag & drop your day templates directly in your planning. By clicking on the generated planning icon, you can also see the exact logs, move or add or delete a track, reset your planning or do a csv export. You can easily extend your planning to the other days by dragging your mouse between any two days and see the black arrow appear. Hold and drag to bring that programming into more days. You can select your entire planning to regenerate it, or delete it if needed. Here you can also configure your intro and outro for ads and select the appropriate filler boxes.

En nuestro caso he arrastrado la plantilla de **Josefina\_Day** para el miércoles 5 y jueves 6 de Febrero.

Podemos usar diferentes plantillas para diferentes días según queramos la programación semanal.

Cuando esté correcto nos pondrá **GENERATED**, en otro caso nos saldrá **ERROR**, con lo que deberemos revisar la plantilla

POR ÚLTIMO PARA SABER QUE SE ESCUCHA EN CADA MOMENTO DE CADA DÍA, PODEMOS PINCHAR SOBRE ESE DÍA, SALIENDO LO SIGUIENTE:

**Josefina\_Day - 2/5/2020 ( Generated : 2/4/2020 11:30 - Generation # : 1 )**

Reminder : The Radio Station Producer agrees that in its programming:

- no more than 3 musical pieces from the same album may be transmitted to the same listener within a 3 hours period (and no more than 2 of those musical pieces may be transmitted consecutively within a 3 hours period)
- no more than 4 musical pieces by the same featured artist may be transmitted to the same listener within a 3 hours period (and no more than 3 of by the same featured artist may be transmitted consecutively within a 3 hours period)
