First, my mom came to my room to talk to me. She told me since I had gotten good grades at school, I could get a dog! I was so excited, I jumped up in the air!

Then, we got in the car to drive to the store.
I couldn't wait! I smiled the whole way there!
When we pulled up, I saw that the store had a
lot of dogs that needed to be adopted.

When we got to the store, I looked at all of the dogs. They were all so cute. All of the sudden, one came up and licked my foot! He was white and fluffy and so adorable. I decided he was the dog for me!

Finally we put him in the car to take him home. He was wagging his tail and sticking his tongue out. On our way home, we stopped to get him some toys, food, and a collar.
