WRITE YOUR REVIEW!

How to organize your review: **introduction** (general information on the book) - **plot** (just an outline; your aim is evaluation! Do not give away the ending!) - **special comments** (style, themes, plot twists, memorable characters, quality of the acting, etc.) - **recommendation** (would you recommend it? For whom?).

TIPS:

- ✓ You may organize the information differently, but stick to the introduction - body - conclusion pattern.
- ✓ Remember to use a range of complex structures and vocabulary.
- ✓ Do bring the book to life for the reader! Address the reader. Think about the details he/she will want to know and include them. Maintain your reader's interest.
- ✓ Use evaluative adjectives.
- ✓ The aim is to give the reader a clear impression of what the book is like. You have to describe, explain and recommend.
