

# PERSONALITY AND LOOKS

**Read these paragraphs about celebrities and see how fast you can identify them.**

1. When he's with his family, he's not very **talkative**, but when he's with his friends he's a very **sociable** person, **open** and **friendly**. He goes to a very special school. There, he is **sporty**. In fact, he's the captain of his team. As a student he isn't **lazy**, but he is constantly having incredible adventures with his two best friends and doesn't have much time to study. He tries to be a **hard-working** student, mostly when exams are getting near. In some ways he's a typical schoolboy, but he really is very special.

2. This person is a loner, very **unsociable**. He is very **quiet**, and perhaps a bit **shy**. He lives alone in the middle of the forest. Many people think he is **selfish** and **unfriendly**. He is often very **rude**. When he has to communicate, he always says exactly what he thinks and that makes people **angry**. Only his friend, the donkey, understands him. The donkey is an extrovert. One day, our hero meets a girl and his life changes. He changes. When he is with her he can be **sweet** and **sensitive** and **kind**. then he tries to be **helpful** to everybody.

**Now match each personality with his physical description**

**Look again** at the adjectives in **bold** to make sure that you understand them.

**Group the adjectives above** under these headings:

**POSITIVE / NEGATIVE**

Did you find any opposites?
