

CINQUAIN POEMS BY STUDENTS

*When I
Eat I am so
Happy, because it feels
Good when the food is delicious
Like you*

MUSIC

*Is life
Like a love song
It makes me happy, relaxed, crazy
When I hear it, I wanna sing loudly
Sounds good*

TRAVELLING

*Run away
Forget all your problems
Learn other languages and visit places
Many adventures to make your dreams come true
Enjoy it*

Netflix
So wonderful
When you sit in your bed
And you relax eating popcorn
Love it!!

If I
Could turn back time
I would go and find you
To tell you everything I can't
Say now

My room
Is a complete disaster
There's a bed with a yellow
Pillow and also there's a teddy bear, brown
Called Town

*When you
Eat some salad
Most of you are in a
Palace. If it is not enough
Keep calm*

Where the singers represent their countries
The audience vote their favourite songs and choose
The winner*

For example T-Shirts, jeans, jackets and

Or red*
