ACTIVIDAD Nº 2: SPEAKING

Let's Talk

PLANET EARTH

Find your question by rolling your die twice. The 1st roll determines the number on the top. The 2nd roll determines the number on the left. Talk for one / two minute(s) about that topic. Your classmates will ask you follow-up questions. Your classmates can ask you anything if you land on "Ask Any Question".

	1	Why is there so much air pollution?	Compare the sun, moon, and Earth.	What things can be recycled?	Do you like geography? Why (not)?	Would you like to live on a small island? Why (not)?
1	Ask any question!					
2	Why are forests important?	How was Earth different millions of years ago?	Do you ever litter? Why (not)?	Ask any question!	What are earthquakes? Describe them.	Compare any 2 seasons.
3	Would you like to live on a mountain? Why (not)?	Compare any 2 countries.	How does population growth affect the earth?	How are oceans and lakes different?	Do humans help or hurt our planet?	Ask any question!
4	Is there life on other planets?	Ask any question!	What causes water pollution?	Why are countries hot and some cold?	How can you "go green"? What does it mean?	Why should governments protect wildlife?
5	Describe global warming.	Would you rather live in a city or in the countryside?	Describe the country where you now live.	Would you like to live on another planet?	Ask any question!	Compare deserts and jungles.
6	Compare any 2 continents.	How will the Earth be different in the future?	Ask any question!	Why do animals become extinct?	Should we ban cars to keep our environment clean?	Describe the wildlife in your country.
