

WHILE-READING ACTIVITY

The London Eye Mystery by Shiobhan Dowd

Chapters 38-40

The Barracks play an important role in the story. Do some research on British housing and answer the following questions:

- What is a tower block? When were most tower blocks in the UK built? What is the general opinion about them? Why have some of them been demolished?

- What are the most-commonly found types of dwellings in Britain? What kind of house do Ted's family live in?

- "An Englishman's home is his castle". What do you think this quotation means?
